**Personal Profile:**

Angela has 25 years' experience in Further Education, firstly as a student then as a teacher before undertaking a range of operational and strategic management roles.

She was recently appointed as Chief Executive and Principal of The Sheffield College. She left her role as Vice Principal for Curriculum and Support at The Manchester College to take up the post. She has a strong connection to Sheffield, as she lives in the city.

Angela's wealth of experience, knowledge and expertise in further education include significant knowledge across a broad range of curriculum and student support services. This also includes several senior leadership roles in London colleges and previously being Vice Principal at Barnsley College. As a result she is passionate about FE and the positive impact the sector has on the life chances of thousands of young people.

Angela has significant experience in curriculum development, particularly in technical and vocational areas and English/maths. She has undertaken the role of College nominee during Ofsted inspections and has led two inspections to good/outstanding outcomes. Angela led the quality assurance and improvement programmes at two colleges prior to joining The Sheffield College and is skilled in developing and embedding QA systems to assure high standards and outcomes.

Angela's skills are:

- Strategic Leadership
- Quality Assurance and Improvement
- Change Management
- Curriculum Development
- Financial and risk management
- Performance management and business planning
