

# Y12 Art - Summer Project

---

## **Introduction:**

To help you get a head start for when you join us in September, we thought this would be a great opportunity for you to have a go at creating some art pieces at home. In September, you will develop a combination of skills in art, mixed media, photography, sculpture and digital. Therefore, this is a chance for you to spend a bit of time over the summer freshening up on your art skills and to develop your own unique style.

Your first term at UTC Sheffield will include recording, experimenting, studying and analysing artists and photographers but here is a chance for you to have a go before hand, show off your creativity and have fun whilst doing so.

## **Next steps**

Use the table below to complete the 'Still life' theme. You can have a go at 'natural forms' and 'natural forms artists' afterwards if you wish to do so.

## **Equipment:**

Use what is available to you to help you complete the below task(s).
