Candidate Late Arrival Policy

Candidates who arrive late

- Candidates who are running late for their exam should call the UTC Reception as soon as possible to advise why they are late and their expected time of arrival. This message must be relayed to the Exams Officer by the Admin Team as quickly as possible.
- All candidates who arrive late should report directly to reception as soon as they arrive. Candidates should not go straight to the exam room but wait to be escorted by a member of staff, as instructed by the Exams Officer or member of the leadership team.

JCQ regulations state that:

o “A candidate who arrives after the start of the examination may be allowed to enter the examination room and sit the examination. This is entirely at the discretion of the centre.”

o “A candidate who arrives after the start of the examination should be allowed the full time for the examination, depending on the centre’s organisational arrangements and provided that adequate supervision arrangements are in place.”

o At UTC OLP, we will normally allow late candidates into the exam room to sit the examination. The candidate will be given the full time allowed for the exam, however the candidate will be warned that the exam board may not accept their work. The late candidate’s new start and finish times will be written clearly by an invigilator on the white board at the front of the exam room.

o The Exams Officer will ensure that invigilation supervision is in place for the duration of the candidate’s exam.

Candidates that arrive very late

JCQ regulations state that a candidate will be considered very late if they arrive more than one hour after the published starting time for an examination which lasts one hour or more, i.e. after 10.00am for a morning examination or after 2.30pm for an afternoon examination (JCQ Published Start Times are 9am and 1.30pm).

For examinations that last less than one hour, a candidate will be considered very late if they arrive after the awarding body’s published finishing time for the examination.

Where the UTC has been informed that a candidate is going to arrive “very late” for an exam, the parent/carer will be advised by the Exams Officer as quickly as possible to keep the candidate under supervision at all times until he is handed over to a member of centre staff.

Parents/Carers will also be instructed to:

- Immediately take away any internet-enabled devices (e.g. mobile phone, tablet, smart watch, laptop, PC etc.)
- If possible, personally drive or escort the candidate from home to the UTC, using a private vehicle or taxi and avoiding public transport
- Ensure that the candidate is fully supervised as early as possible and preferably from the published starting time of the exam, until the candidate is handed over to a member of staff at the reception
- The parent/carer should make a written note of what time the candidate is supervised from
- Both the candidate and the parent/carer who has supervised them will be asked to sign a letter confirming that the above measures have been put in place. The parent/carer and the

candidate will also be asked to provide a signed statement giving details of the time the candidate was supervised from and by whom, and the reason for his late arrival.

- It may not be able to fully apply the above procedure where a candidate arrives at the UTC by taxi.
- The HOC/Exams Officer will consider each case on an individual basis to determine whether the security of the examination has been compromised and will make a decision as to whether the candidate may sit the examination.

At the end of the exam

- In compliance with JCQ regulations, the centre will send the script to the awarding body in the normal way.
- In addition, Exams Officer must **complete Form JCQ/VLA – report on candidate admitted very late to examination room** within seven days of the examination having taken place. The following information will be provided:
 - The reason the candidate arrived late, including details of any special arrangements made for the candidate to reach the centre
 - The scheduled starting and finishing times of the examination
 - The time the candidate started the examination
 - The time the candidate finished the examination
- The awarding body will consider each case individually in light of statements from the parent/carer, the candidate and the centre. Candidates and their parents/carers should be warned that the awarding body may not accept their work.
- JCQ regulations state that: “When deciding whether to accept any of the work done by a candidate who arrives very late, the awarding body will pay particular attention to how far it can be sure that the security of the examination has been maintained. Given that candidates may have left the examination room one hour after the awarding body’s published starting time*, the awarding body is unlikely to be able to accept the work of very late candidates unless they have been adequately supervised.”

Where a candidate persistently arrives late for an exam, the exams officer will liaise with a senior member of staff who has pastoral responsibilities, who will speak to the candidate and to the parents/carers to determine the reasons and to follow up accordingly.
