Personal Profile:

Shaun Cook
Assistant Principal:
Landbased, Animal Care,
Sport & Protective Services
The Sheffield College

UTC Sheffield OLP Local Governing Body

Shaun's background skills and experiences:

After leaving school I joined the Army and went on to spend over 20 years serving in places as diverse as Northern Ireland, Norway, Germany, Iraq and Cyprus. This time in the Military allowed me to enjoy a physical outdoor life whilst also developing the skills and qualities that I would later use when I re-joined civilian life and started work within education. I have worked in a variety of different educational establishments including Bishop Burton College, South Hunsley Sixth form, Market Weighton School, Wakefield College and now I am working as an Assistant Principal at The Sheffield College.

I hold a variety of qualifications in electrical engineering, project management, leadership and have a Masters Degree in Education (Leadership and management).

Outside of work I enjoy taking part in a variety of sports and activities. I like to keep myself fit and especially enjoy surfing, cycling and running I also hold coaching qualifications for rugby union and football and am a qualified football referee.
