

May 14, 2020

Dear Parents and Carers,

Thank you for your ongoing support at this difficult time. There has been lots in the press about schools opening and plans for the summer term, I wanted to write and let you know where we are up to at this point. We are looking at enabling some face to face support for students in the coming weeks after the May half term. Once we have a timetable and finalised booking mechanisms for this in place I will be in touch.

Thank you to those of you who completed the parental questionnaires. Delivering through Teams has been a learning curve for all involved. We are in the process of evaluating the processes and improving them. Any new way of working will be informed by teachers, parents and students feedback. Much of this is still in the planning process and more details will be sent to you as soon as it has been confirmed. What I can reassure you is that built in is a better feedback mechanism for parents so that you can know what your child has been set and how well engaged they have been.

I want to thank you for your patience and understanding while this system is being developed. In the meantime if you want to know anything about your child's work or progress please ring the school Monday – Friday 8.30am – 2.30pm or email adminolp@utcsheffield.org.uk

We are still awaiting confirmed details of results day for all subjects in the summer. I am sorry I am not in a position to let you know of the arrangements at this point. As soon as I know anymore I will be in touch. I do not want year 11 or year 13 students to feel they are forgotten. Please be assured that once we can, we will officially celebrate their time here.

Yours Faithfully

Mrs. J Stevenson
Principal
UTC Sheffield OLP
