

12 June 2020

Dear Parents and Carers,

Please find accompanying this letter next week's online learning timetable. This timetable will remain in place until the end of term. Students are being set work they are expected to complete on Teams and staff are uploading tutorials to them.

We are working on reporting to you students engagement with online learning and I hope to get this out to you very soon. In the meantime you can track the work they are set and the areas of study through our home learning section of the website. This can be found here:  
<https://olp.utcsheffield.org.uk/home-learning/>

If you need to talk to someone about home learning or any other school related matter please do not hesitate to phone or email the school.

I have written separately to all the parents of students we are expecting to come into the UTC next week. If you have not had a letter and you believe this is you, please contact the us. Please do not send your child to school on Monday if you have not had contact from the school.

We have two virtual transition events planned for next week. If you know anyone who is interested in attending the UTC in year 9 or year 12, please feel free to pass on the details.  
Places can be booked here: <https://www.utcsheffield.org.uk/events/>

Yours Faithfully

**Mrs. J Stevenson**  
Principal
