

UTC Sheffield OLP Local Governing Body

UTC Sheffield OLP EQC Committee

UTC Sheffield OLP Link Governor Computing

Personal Profile:

Scott is a cyber-security specialist with a focus on human centred security with 19 years' experience in computing. Scott has specialised in security for the past 6 years in a variety of sectors.

Scott served as education officer and trustee for Sheffield Hallam University Students' Union and has worked with both universities in the city on improving the student experience.

Scott taught on the higher digital apprenticeships, undergraduate and postgraduate cyber security courses at Sheffield Hallam University, this focused on a mixture of ethical hacking and network defence techniques while integrating the soft skills students need for the world of work.

Scott's skills are:

- Computing
- Cyber Security
- Data Protection
- Employer Engagement
- Communication
